Forward

The 1983-84 school year has come and gone, and there have been many joys and special events which we have shared with our special friends. These events take but only a moment to happen but they make a lifetime full of memories.

It is the purpose of the CAVALIER staff to capture those memories of the special joys, special places and special friends so that we can look back on these memories and cherish them forever.

Council Works Together

The Student Council has kept very busy this year. The council officers were Jeff Cotton, President; Dana Brunk, Vice-President; Julie Hall, Secretary; Maurice Noellsch, Treasurer. The other members were Jeff Huntsman, Carla Bender, Alex Fink, Carol Parker, Brian Normile and Marsha Meyer. Albert Atkins was the sponsor.

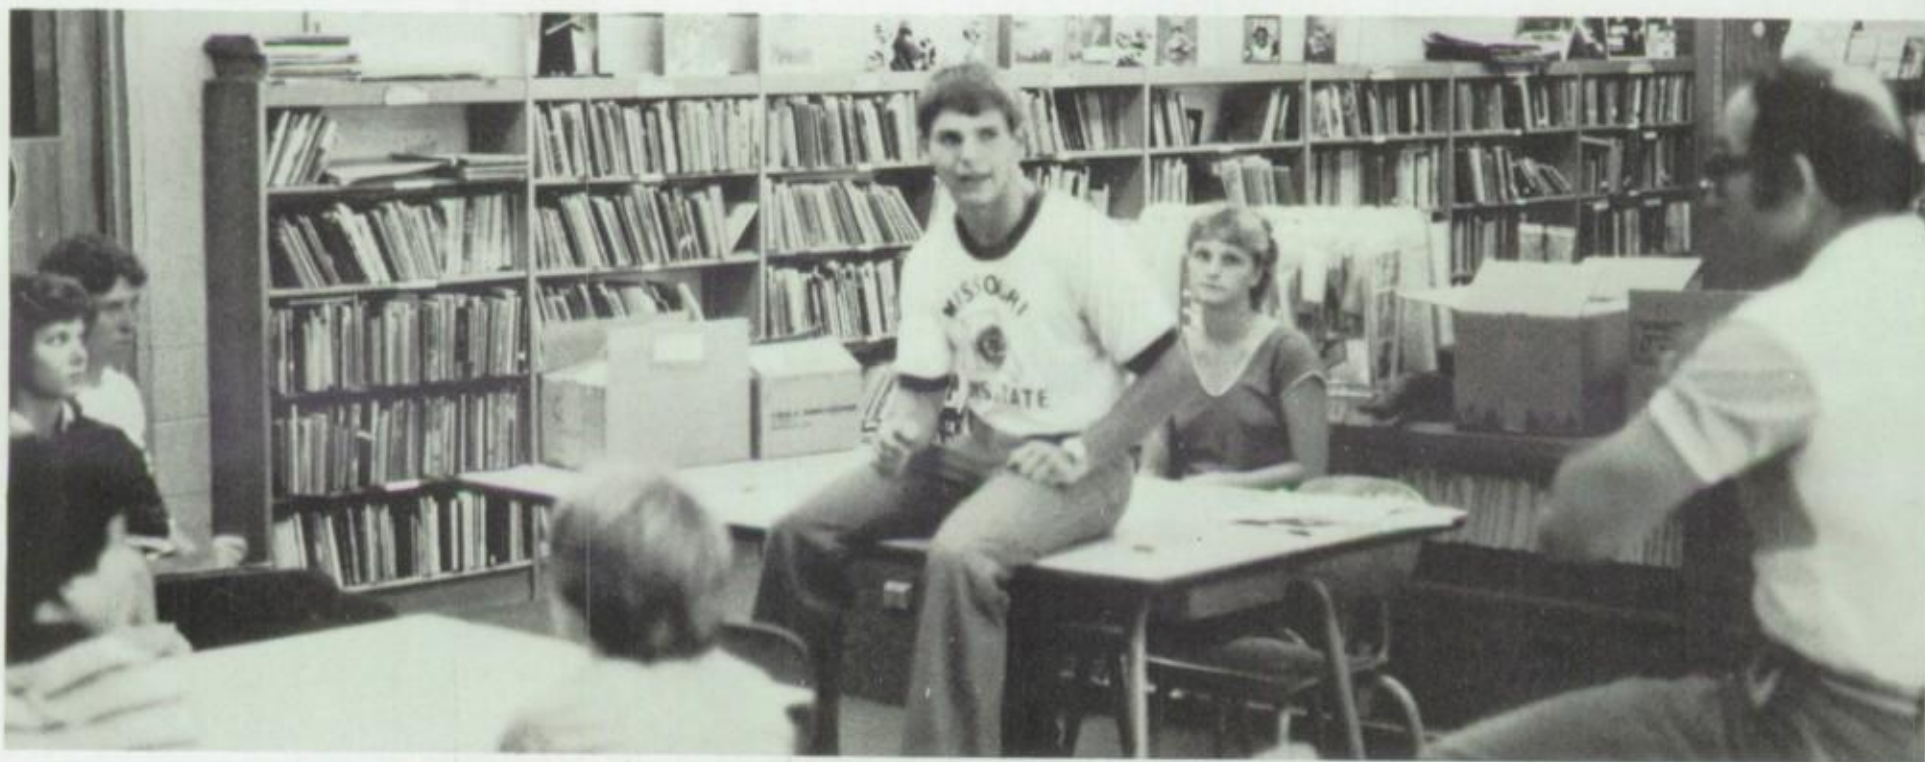

Freshman Initiation was planned by the Student Council. The council was in charge of the concession stand during the noon hour at school. Teenagers consume a lot of pop, candy bars and chips in nine months. They were also involved, along with the help of the other classes, in planning the Homecoming Dance and Festivities, and they were fully responsible for planning the Christmas Dance. The band Swift Kik played for this event. Both dances were very successful.

A privilege and the highlight of the council year is for the members to spend a day in St. Joseph shopping and eating at a restaurant. This year the council members and sponsor chose to eat at 36th Street Food and Drink. They ended the day by playing miniature golf.

The council members always kept in mind what the students' feelings were, their wants and gripes, but they always did what was best for the student body.

National Honor Society Holds Sunday Induction

Under the supervision of Mrs. Betty Waller, the National Honor Society inducted three seniors and 12 juniors into the Sigma Theta Chapter. Five sophomores were also inducted as provisional members Sunday, February 26. The students were selected on scholarship, service, leadership and character. If they maintain these standards they will remain a member of the society, or they will become a member during their junior year. The

induction service was led by President, Todd Kunkel; Vice-President, Stephen Hicks; Secretary, Carol Dudeck; and Treasurer, Julie Hall.

March first, the society took their annual trip to Kansas City. They toured the General Motors Plant and the Federal Reserve Bank. They also ate at Max & Erma's for supper.

CAVALIER Staff Gets the Job Done

The CAVALIER staff took a trip to Maryville for the instruction on the yearbook production at the beginning of the 1983-84 school year.

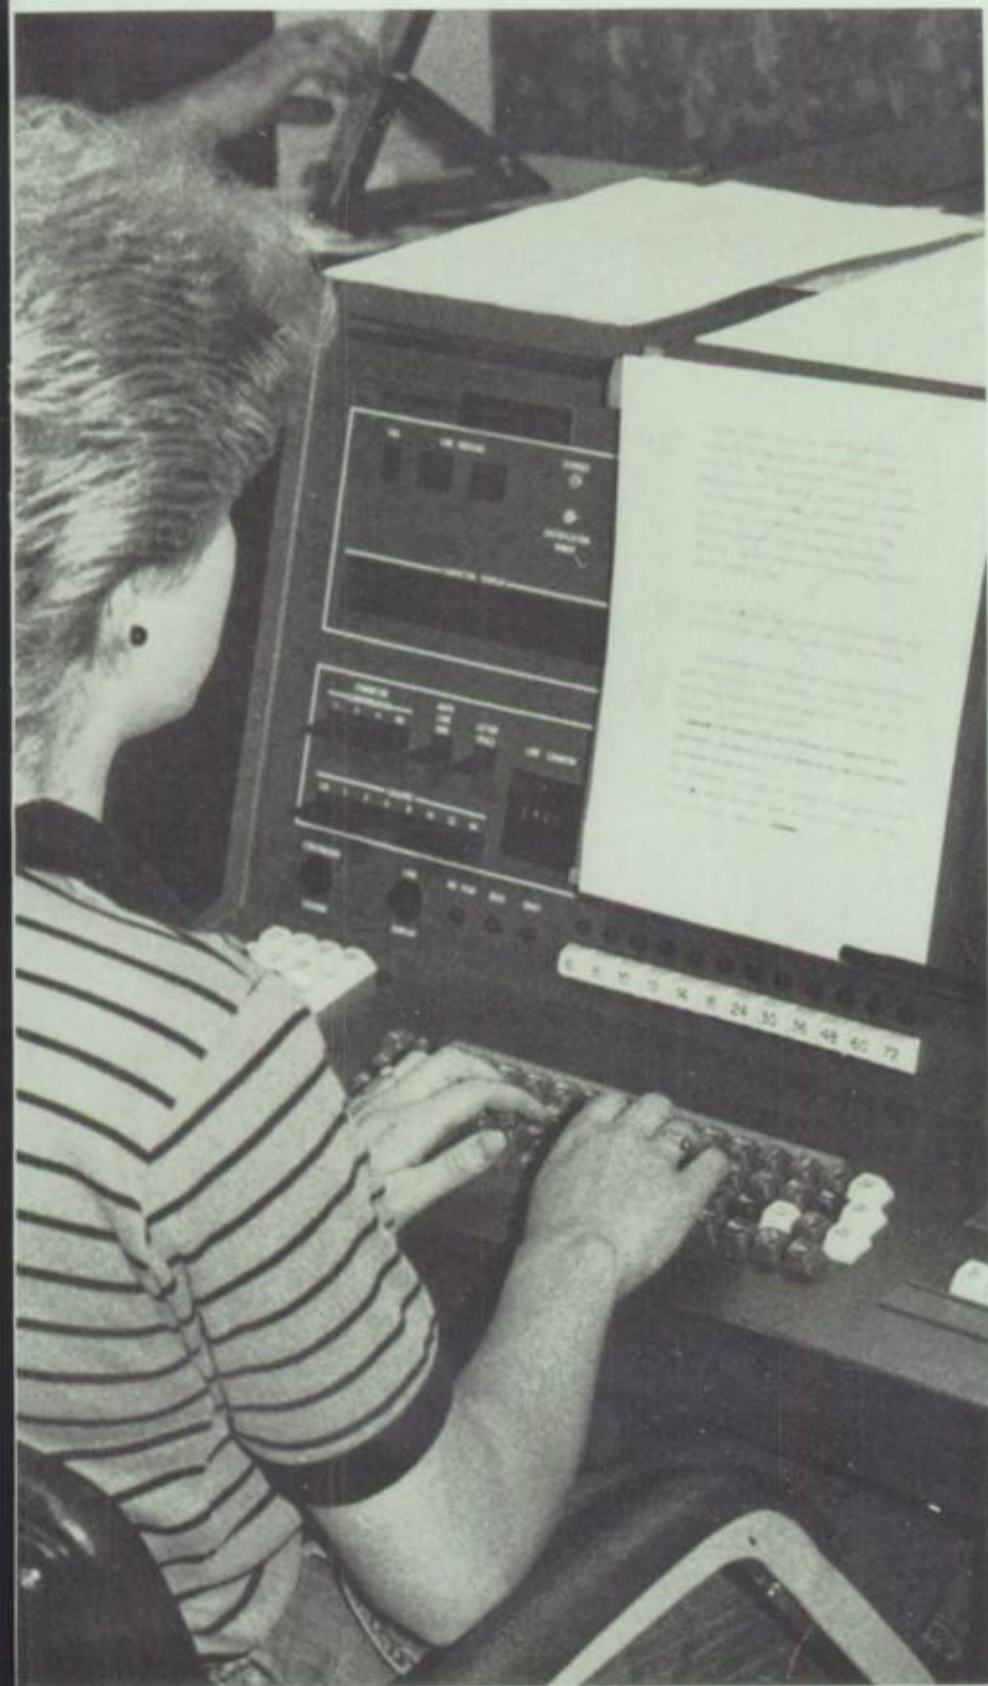

After seeing how the yearbook should be constructed, the CAVALIER staff worked throughout the year, after school, on their free time, and during study halls completing the yearbook.

The editor is Penny Kurtz and the advisor is Victor Buntz. The staff also consists of seven other members.

The construction of the yearbook is certainly no little job; the staff has worked extremely hard in completing the yearbook. We hope it gives you many enjoyable hours and long-lasting memories that you will cherish forever.

FHA Works Hard For Success

The 1983-84 Chapter of the Future Homemakers of America experienced a very successful year filled with hard work and devotion.

The group had such money-making projects as the concession stands and selling french fries at football games. In the spring they hosted the annual Sweetheart Dance.

The FHA trip began with breakfast at Coco's in St. Joseph, then it was on the Kansas City and five fun-

filled hours of shopping at Independence Center. Afterwards they went to Waldo Astoria to eat and see the play "It's a Mystery to Me" starring Dawn Wells.

The girls within the group had secret pals this year with whom they exchanged gifts, letters, and other items. The identity of these secret pals was revealed the night of the combination installation and family night potluck dinner. At the first of the year there was an initiation of all new members.

Cheerleaders Boost School Spirit

In April of 1983, six girls were selected to be varsity football and basketball cheerleaders for the 1983-84 seasons.

They were judged on a point system. Points ranged from 1-5 in each category, 5 being the best. They were judged on their performance of an individual cheer, a group cheer, three jumps, three stunts, and the fight song, as well as on their personality, smiles, enthusiasm, voice control, and appearance. The six girls receiving the highest amount of total points were the new cheerleaders.

Judges for the tryouts included members of the teaching staff, Student Council members, and representatives from each team the cheerleaders would represent in the coming year.

Immediately after tryouts, the cheerleaders, under

the leadership of their sponsor, Mrs. Barbara Williams, began working to raise money for new cheerleading equipment. They held a swim-a-thon, did odd jobs, and sold booster items.

They were rewarded for their hard work shortly before basketball season, when they received new uniforms.

One of the highlights of the year for the cheerleaders was at the Homecoming pep assembly, when the Booster Club presented black and gold cheerleading jackets to the girls.

The cheerleaders also worked hard to learn and perfect new cheers, routines, skits and pyramids to use during games and pep assemblies, to perform crowd-raising cheers, and to raise school spirit at South Holt all through the year.

Lettermen's Club Achieves Success

The Lettermen's Club raised money by fruit sales and having the concession stand at the Junior High Tournament. Officers elected were Jeff Cotton, president; Jeff Huntsman, vice-president; Anna Book, treasurer; and Dana Brunk, secretary. The Lettermen went to see the Kansas City Royals play the Detroit Tigers on

May 7. The annual athletic banquet was held on May 8 in the gym. All letters and special awards were presented at the banquet. The money earned during the year will be used to buy anything needed in the athletic department.

Staff Produces Knight Times

The Journalism class produced the Knight Times. It is a weekly page in the Times Observer.

The students researched, wrote, proofread, "set," and "made up" the page to be published. Besides the Times Observer's photo-typesetter the students also set type on a new, more advanced computer.

Each student had the opportunity to be the editor several times throughout the year. The Knight Times features the Roving Reporter, a column written by a different student each week, and the Castle Comment, a column written by a different teacher each week.

Marching Band Has New Look

The marching band, under the direction of Charles McAdam worked hard to perform well on the field and street.

A band camp was held one week before school started. The band learned several new commands, and practiced street and field marching.

During football season, the field band, majorettes, twirlers, and flag corps rehearsed each morning during first hour. On Friday evenings before ballgames, the group would rehearse for about one hour. Then, on the nights of home games, the group would show their achievement of the week--a good routine, which would boost the spirits of the South Holt football team and fans.

The street band earned a second place trophy at Missouri Western State College Homecoming Parade, and a third place trophy at Northwest Missouri State University Homecoming Parade. The band also marched in the Holt County Autumn Festival Parade, and the Southwest Iowa Band Jamboree in Clarinda, Iowa.

This marked a very special year for the marching band because it was the first season for the band to march in their new uniforms, which arrived during the spring of 1983. Parents and citizens of the community had canvassed the community to raise the money to purchase the uniforms, which added a whole new look to the marching band.

Homecoming parade. Mr. McAdam marches alongside the band in early morning practice.

Band Gives Three Performances

The concert band presented three concerts during the 1983-84 school year. Charles McAdam was the director. The first concert was given in December. Their second concert was in March before the District Music Contest. The band gave their final performance of the year in May.

Chorus Sings Out

The vocal music department directed by Ms. Vickie Miller worked hard throughout the year to develop music that was pleasing to the ear. They sang at East Hills, and had a Christmas and Spring concert.

A newly formed group, Swing Choir, consisted

of six chorus members. They also sang at the concerts.

All those in chorus were enthusiastic, worked hard, and enjoyed performing. They worked hard and their work paid off in the end.

Students Compete At District And State Contests

Many band and chorus students participated in the district and state music contest. They all enjoyed the challenge of performing their best and seeing their hard work pay off.

Charles McAdam directed the band and instrumental soloists, while Ms. Vickie Miller directed the choir and instructed the vocal soloists and groups.

Varsity Team Has Determination

The Varsity football team had a good season. They showed much determination and spirit, and they ended the season with 5 wins and 4 losses.

The team was coached by Craig Barker with the help of the Assistant coaches Larry Jones and Kevin Dinsdale.

The Knights started out very well with 3 wins going into the Rock Port game. Rock Port also with the same record, 3 wins. This was recognized as the game

of the week in Northwest Missouri. Our team fought hard but just could not make the winning points.

The team used a vere offense and forty-four defense.

All the players showed much strong will and were very aggressive.

The school and community were very supportive and involved during the football season. This is always a big morale booster for the team.

J.V. Gains Experience

The junior varsity played hard and worked well together as a team. Even though they did not win a game, they gained a lot of experience which will help them in the future.

This young team, with this experience, hard work, and determination will be an important asset in the football program in the next few years.

Outstanding Players Chosen

South Holt had three team members who were chosen to the 275 All-Conference team and one who was Honorable Mention. Jeff Cotton, senior, was chosen first team Line Backer and first team Guard. He had a total of 154 tackles for the season. Brad Derr, senior, was selected as first team Defensive Tackle. He totaled 65 tackles for the season. Mitch Williams junior, earned the place as first team Safety. He led the conference with 5 interceptions. Ryan Radley, senior, received Honorable Mention as Punter and Tight End. He was second in the conference in punting. He averaged 37 yards.

These players were highly respected by the area coaches and football players.

Varsity Team Gains Respect

The Girls Varsity Team had a better season than last. They came so close to winning so many times but just could not get that winning basket. These are the hard ones to lose. But maybe in the final analysis they were winners in their own right. They were always ready for the next game with all the hustle they could give.

The highlight of their season was winning the Con-

solation Trophy at the King City Tournament. It brought about a lot of good feelings and boosted the teams' moral.

The girls learned that playing as a team and sharing that ball was very valuable. As it is in life we must share. The team ended the season with 5 wins and 16 losses.

J.V. Shows Promise

The Junior Varsity girls had a very good season. They worked hard and put in a lot of team effort. They won 5 and lost 5. They have shown lots of potential and should be a strong and winning team next year.

The freshman-sophomore team won a third place trophy at the Ravenwood Freshman-Sophomore Tournament. They played very well. In the future we will be seeing a lot of these girls.

Varsity Knights Have Excellent Year

The South Holt Knights varsity basketball squad, coached by Craig Barker and assistant coach Mark Thornton, ended the season with an excellent record. The Knights put together several offenses, defenses and zone presses to compile a season record of eighteen wins and nine losses.

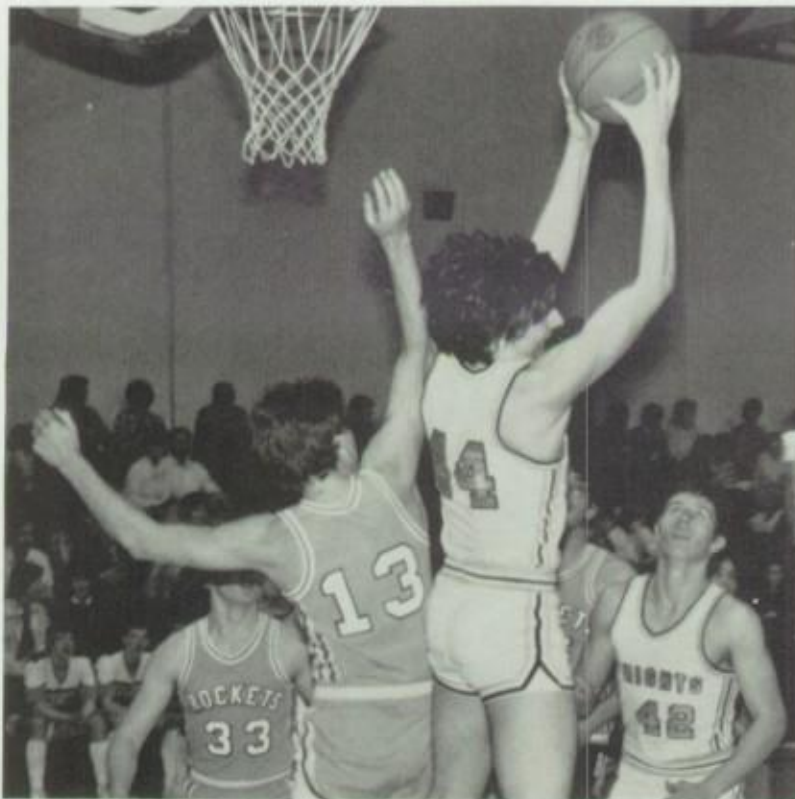

The Knights competed in three tournaments. They placed second in the Mound City Tournament and third in the King City Tournament. They also participated in the Bishop LeBlond Tournament.

The Knights can be proud of their efforts, and they can look back on the season with proud memories.

Kunkel Named All-Conference Radley Honorable Mention

Todd Kunkel, a senior, was a unanimous selection to the 275 All-Conference first team basketball squad. Todd led the Knights in scoring with a total of 453 points and an average of 16.8 points per game. With a freethrow percentage of 81, Todd led the conference in freethrow shooting, and he was among the top state freethrow percentage shooters. He was also awarded the Best Freethrow Percentage Award and the Most Valuable Player Award.

Ryan Radley, a senior, was named Honorable Mention. Ryan led the team in rebounding with an average of 8.9 rebounds and a total of 230 rebounds. He also had a scoring average of 10.9 points per game.

J.V. Improves Throughout Season

The Junior Varsity Knights, coached by Mark Thornton, worked extremely hard. With their determination and school spirit, they improved tremendously. The J.V. ended the season with a win against Tarkio which improved their season record to nine wins and two

losses. The J.V. also placed second in the Ravenwood Freshman-Sophomore Tournament. With this team's ability and pride, we should be seeing an excellent future team.

Track Is An Important Sport

Track is an important sport at South Holt. It allows the individual to work and improve at his own pace. One can put out as much or as little effort as he chooses. There were 13 girls and 18 boys out for track. There was much improvement individually and

by season's end, members of relays were working very well as a team. Everyone who went out for track should feel proud of the strides he made toward improving himself and his abilities.

South Holt Goes To State

South Holt was represented at the State track meet by five people. The 1600 meter relay team was made up of Danny Weber, Shane McWilliams, Tracy Hurst, and Maurice Noellsch. They all brought home sixth place medals. The 3200 meter relay team, consisting of Dan Weber, Shane McWilliams, Tracy Hurst, and Kelly Kunkel also placed sixth. Shane McWilliams competed in the 400 meter dash and finished fifth.

Outstanding Athletes Honored At Banquet

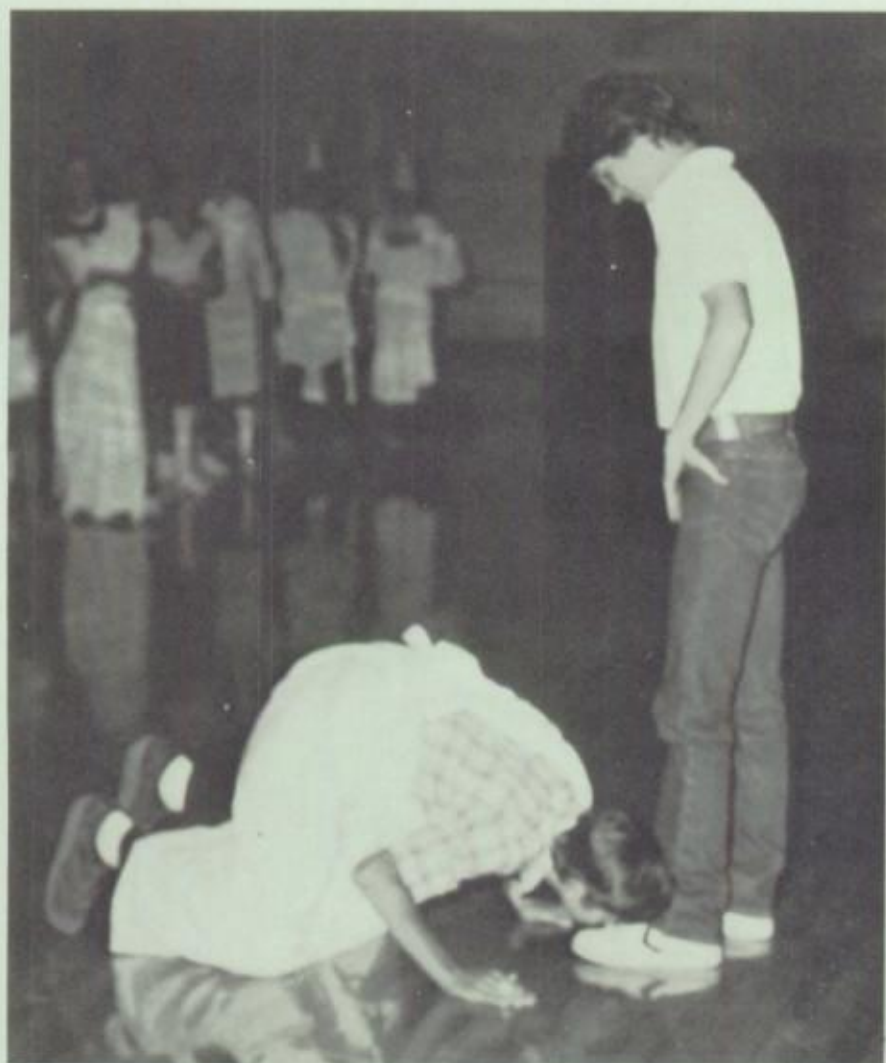

Outstanding senior athletes were honored at the annual athletic banquet, which was held on May 8, 1984. Anna Book and Ryan Radley were named the All-Around female and male athletes for the 1983-84 school year. The United States Army Reserve male and female Scholastic-Athletic Awards were presented to Ryan Radley and Dana Brunk.

Freshmen Participate In Initiation

It is a tradition at South Holt to initiate all students who are freshmen and all new teachers. The Student Council is in charge of this event. Each freshman had to dress a certain way for the whole day.

A sock hop was held that night, and wearing the same clothes, the freshmen had to read a verse that had been prepared for them. It had to meet with the student body's approval before they considered them thoroughly initiated. The prize for the best dressed went to Amy Meyer.

Above and clockwise: Freshman have fun dancing. Jimmy Eaton, Matt Williams, Brett Sipes, and David Dozier show us how a girl should dress. Amy Meyer as Richard Simmons, does an Aerobic routine. Mr. Dinsdale and Mr. McAdam give us a big smile.

Sock Hops Are Popular

A dance does not have to be fancy to enjoy it. Sock Hops are very informal and lots of fun. Just remove your shoes and dance in your socks.

There were only two socks hop dances held this year; Freshman Initiation dance and the seniors sponsored one to raise money for the trip. They were enjoyed by all who attended.

Homecoming Is Exciting

Homecoming Spirit Week is always filled with excitement. This year is no exception. Spirit Week is held in the hope that the entire school will get "psyched up" for the big Homecoming football game on Friday.

This year the theme was "Super Heros." The winning display was done by the seniors. It was called "The Incredible Knight Hulk." The junior class received second with their display of "Super Knight."

Homecoming Memories Will Last Forever

Homecoming 1983 was a very special time to remember for everyone.

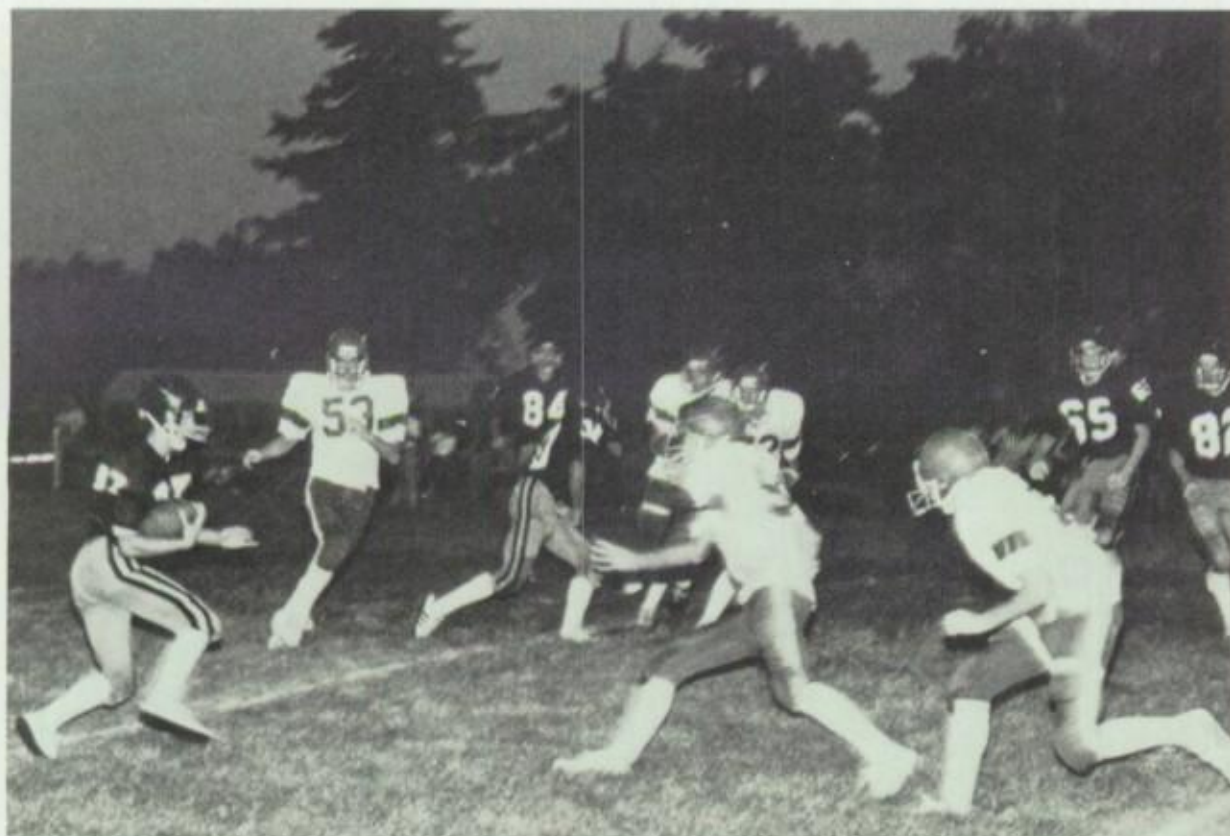

Thursday evening the burning of the effigy was held on the football field. The cheerleaders did a great job of getting everyone fired up.

Friday afternoon a tea was held for the football mothers. Hosting the event were the Future Homemakers of America officers.

Later that afternoon a pep assembly was held in the gym. Each grade seven through 12 presented a skit, and the football players and mothers were introduced. Thursday the student body voted for Homecoming Queen from three candidates nominated by the football team. Dana Brunk was crowned Friday afternoon at the pep assembly. Her attendants were Anna Book and Rhonda Hunziger. Their escorts were the tri-captains of the football team, and Coach Craig Barker crowned the queen.

The Knights defeated the Mound City Panthers 26-0 that evening, and a dance was held after the game for high school students and alumni. "Send Her My Love," by Journey was the theme for the dance which was sponsored by the Student Council.

All in all this was indeed a week to remember.

Decisions Are Reached

Many representatives from colleges, universities, and the armed forces were on hand for Career Day to assist the seniors in making decisions for their futures.

South Holt's gym was filled for Career Day on November 15. School was dismissed for the afternoon so South Holt seniors and area schools could participate. Several junior girls volunteered to hostess the event.

Sharing the Spirit

Everyone, including South Holt high school students and their dates, shared the Christmas spirit at the dance December 16.

The dance was sponsored by the

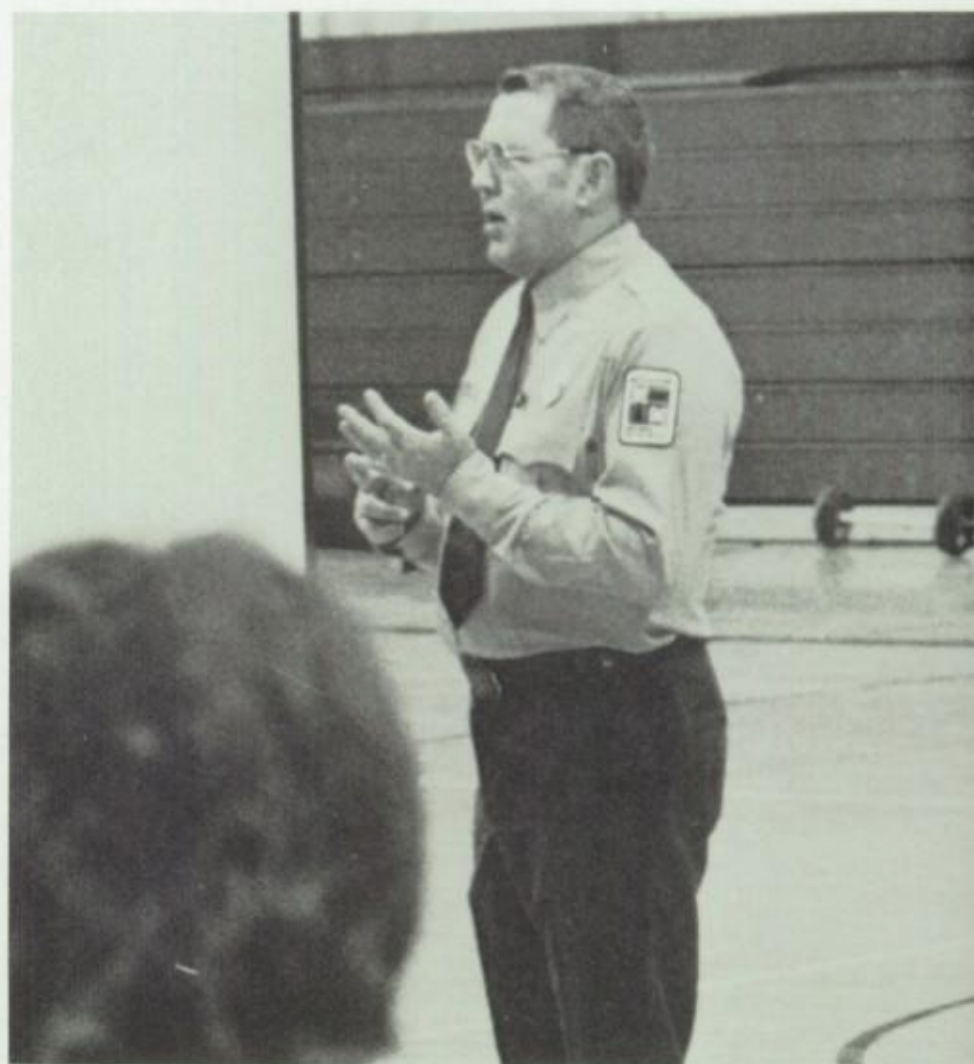

Student Council. The Council members passed out the gifts which were placed under the tree as everyone entered the dance. Santa even took time out to pay us a visit.

Assemblies Prove Interesting

Three very interesting assemblies were presented to the students during the 1983-84 school year. The first two assemblies were given by Missouri Western State College's percussion ensemble and jazz ensemble. The final assembly was on conservation. It was given by a representative of the Conservation Department.

FHA Girls Show Their Spirit

The Future Homemakers of America spirit week was a great success. Most of the FHA members participated in the week's activities. The five different days were

Monday, little girl day; Tuesday, career or occupation day; Wednesday, red and white day; Thursday, dress up day; and Friday, black and gold day.

Sweetheart Dance Hosted By FHA

The annual Future Homemakers of America Sweetheart Dance was held March 3, 1984, in the gym.

Shane McWilliams and Kristin Lark were chosen King and Queen of the dance. They were crowned by Dana Brunk, 1983 Homecoming Queen, and Jeff Cotton, Student Council president. Their attendants were Dan Weber, Todd Kunkel, Linda Wilson, and Susie Steeby.

The candidates were selected from the senior class by the FHA members, and the entire student body voted for their choices the day before the dance.

Crown bearers were Brooke Johns and Jeffrey Stoecklein. The theme was "Heaven" by Bryan Adams.

Craig Buckles and Steven Meyer were hired by the chapter to provide the music.

"Now and Forever" was the theme of the 1984 Junior-Senior Prom, which was held April 13, in the Student Union Ballroom of Northwest Missouri State University in Maryville.

A meal consisting of ham, roast beef, baked potatoes, corn, peas and hot rolls was served by the N.W.M.S.U. cooks. Strathman studio of St. Joseph provided the pictures.

The ballroom was decorated in the color of peach and ivory.

Following the meal and the pictures, everyone enjoyed dancing to the music of "Swift Kik."

Junior High Football Has .500 Season

The junior high football team, under the coaching of Albert Atkins assisted by Kevin Dinsdale, recorded a .500 season. They won two games (Nodaway Holt and Fairfax) and lost two games (Mound City and Rockport). The squad was large for a South Holt team with 28 of 30 boys in grades seven and eight participating.

Junior High Girls Have Close Games

The junior high girls' basketball team was made up of 14 girls. The team ended their season with a record of 2 wins and 5 losses. The statistics do show, however, that three of the five games the junior Lady Knights lost were within 6 points. The girls were coached by Albert Atkins.

Jr. High Has Good Season

The Junior High Knights boys basketball team ended the season with a winning record of seven wins and four losses. The Knights were coached by Kevin Dinsdale.

The highlight of the Knights' season was when they

captured second place in the South Holt Invitational Tournament. The Knights showed a lot of enthusiasm, and they should look forward to another winning season next year.

Jr. High Track Has A Good Turnout

Coached by Mark Thornton, the Junior High track team had an excellent turnout this spring. They had a total of 50 boys and girls. But, because of bad weather, many of their track meets were cancelled. This gave the team a lot of time to practice. So,

when they did show up at a track meet, they gave the other teams a lot of competition, and as the year progressed, each one of the members improved individually. With the talent and the experience, these young tracksters are looking forward to a better next year.

Cheerleaders Add Spirit

In May, 1983, six girls were chosen to represent the junior high football and basketball teams. These girls performed many spirited pep assemblies to get the players and fans alike excited for their games. At games, the cheerleaders played a key role in getting the crowd to support the players. With the guidance of Miss Joan Russell, their sponsor, these girls were very effective in adding spirit to the school year.

Jr. High Council Has Successful Year

The junior high student council, under the direction of Mrs. Nancy Freeman, Mrs. Elizabeth Stuart, and Mark Cotton, president, had a very successful year. The council had their annual project of selling school T-shirts. They also sold candy in lounge to raise money. At the end of the year, the group went on a trip to St. Joseph.

George Munro
Superintendent

Mark Mitchell
Principal

Superintendent George Munro has a total of seventeen years of experience in education. For the last six years he has been superintendent of the South Holt R-1 Schools. He has a B.S. in History from Memphis State, Memphis, Tennessee. He has a masters degree in education and a specialist degree in education and administration from the University of Missouri, Columbia, MO.

Principal Mark Mitchell has been in the field of education for ten years one of which was spent at South Holt. He was principal of the junior-senior high school. He has a B.S. degree in music education from Iowa Wesleyan College, Mt. Pleasant, Iowa and an M.S. degree in secondary administration from Northwest Missouri State University, Maryville, Missouri. He will complete his educational specialist degree in August 1984.

Munro and Mitchell Guide South Holt

Superintendent George Munro and Principal Mark Mitchell, under the direction of the Board of Education, set into motion many plans and projects designed to bring quality education to South Holt students. One

of these projects was the purchase of six Apple Writer II computers which provided hands on computer experience for two sections of computer I.

Mr. Munro welcomes the student body to a new school year while Mr. Mitchell waits his turn to give instructions.

Secretaries are Popular With Students

Ruth Kelly has two jobs in that she is both secretary to the superintendent and secretary to the Board of Education. She has been secretary to the superintendent for eighteen years and to the board for eleven years.

Ina Jo Barker has been secretary to the principal for three years. She is, in effect, the students contact with the administration. Her job is keeping student records, selling lunch tickets, and collecting fees and charges for a variety of items-even clarinet reeds and basketball shoes. This places her in a position to act as a second mother to the students.

Board of Six Governs

The board of education, composed of six members, is elected by the community to work with the superintendent in planning school policy. The board is divided into three classes with two members elected each year.

Barbara Williams has a total of fourteen years of teaching with eight years at South Holt. She teaches high school speech and speech correction (K-12). She has a B.S. in education (speech pathology and audiology) from Moorhead State College, Moorhead, Minnesota.

Phyllis Danner has taught twelve years of her fourteen years in teaching as librarian at South Holt. She is librarian for grades K-12. She has a B.S. degree in education from Northwest Missouri State University, Maryville, MO.

Two Teachers Retire From South Holt

Two teachers will be retiring from South Holt High School. Mrs. Shirley Jasper and Mrs. Betty Waller are fine instructors and should be commended for their many years of dedication to South Holt. They have

not only been dedicated to academics, but both have played key roles in sponsoring extra-curricular activities.

These teachers will definitely be missed at South Holt, but our best wishes go with them.

Shirley Jasper has taught thirty three years, twenty two of which have been at South Holt. She teaches eighth grade mathematics, consumer mathematics, algebra II, and geometry. She was the co-sponsor of the senior class. She has a B.S. in education (mathematics) from Missouri Valley College, Marshall, MO.

Betty Waller taught nine of her ten years in teaching at South Holt. She taught journalism, English I and English III. She was the advisor for the National Honor Society and advisor for the Knight Times. She holds a B.J. degree from the University of Missouri, Columbia, MO.

Personnel Serves as Support Group

Bus drivers, cooks, and custodians do a job that is not always appreciated by the students in any school generation. A student however that takes a second look will realize that a school will not run itself. Hundreds of students must be transported, fed and cleaned up after each day is the process of education is to proceed smoothly. Thanks to the South Holt personell for doing a job so well that it usually goes without notice.

The freshman class is the largest in high school. They have worked to make their first year of high school memorable.

They, like classes in the past, participated in County Government Day at the Holt County Courthouse.

Several freshmen were voted into offices of the county court for the day in which they participated. As always, South Holt ranked in the top three out of all the essays that were written about the day. Becky Freeman received second in the county-wide contest.

Class of '86 Gets Into the Swing of Things

The sophomores made it a point to get involved in the many activities throughout the year.

Five members of the class were selected as National Honor Society provisionary members. Colette Sommer was selected to attend the Sophomore Pilgrimage in Jefferson City. Many of the other students were involved in sports, music, and other school organizations.

The fall brought a trip on which the class went to

Hillyard Technical School in St. Joseph to tour the facilities and learn about the programs it has to offer.

Money-making projects such as a cake raffle and skating party were held with the thought of the 1985 Prom in mind.

The sophomores have a good future set before them and they all face it with the highest of hopes.

Juniors Pull Together

The junior class pulled together to raise a lot of much-needed money for the Junior-Senior Prom. Under the direction of Mrs. Phyllis Danner and Kevin Connell, their sponsors, the group hosted a dunking booth at the Fall Festival and worked many hours in the concession stand.

All of their hard work paid off in the end, as the Prom was a big success.

Seniors Work Hard and Do Well

The Senior Class of 1984 did very well in their school studies. By the time the class graduated, 54 percent of its members were in the National Honor Society. Five of its members graduated 'With Honors.' For a student to graduate 'With Honors' he or she must maintain a 9.50 or better grade point average on an 11 point scale throughout their four years in high school.

Seniors Achieve Goals

The Class of '84 has worked hard throughout high school to raise money for the Senior Trip. The bulk of the money for the trip, however, was earned their senior year, making an already active class even busier.

The seniors sponsored many different money-making projects during the 1983-84 year, including cake raffles, bake sales, skating parties, concession stands, and the biggest money-maker of all--the Senior Volleyball Tournament.

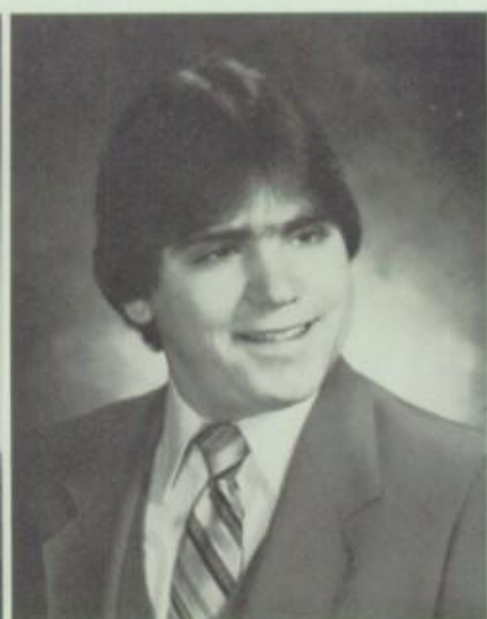

With the help of the senior class sponsors, Mr. Mark Mitchell, Mrs. Shirley Jasper, and Mr. Larry Jones, and the support of their parents and the community, the seniors raised enough money to pay their way to Colorado.

Seniors Become Close

After thirteen years together in school, some of the seniors were reluctant and sorry to see their graduation come. In the final weeks of school together the class became closer than it had been before. The end of their high school education was highlighted by a trip to Colorado where they spent three days at Tumbling River Dude Ranch. Upon their graduation the Class of 1984 went its separate ways. But one thing is certain, they will always remember their high school years as some of the best in their lives.

Special Awards Presented to Seniors

Eight seniors were selected by the Kiwanis to receive awards which they present each year. These students were honored at the Kiwanis dinner and ceremony, where they received their awards.

Five received Student Honor awards for having a 9.5 or higher grade-point average on an 11-point scale. These seniors are Julie Hall (10.61), Todd Kunkel (10.49), Penny Kurtz (9.94), Carol Dudeck (9.91), and Ryan Radley (9.67).

Jeff Cotton received the male athletic award and Dana Brunk the female athletic award. The chorus honor was given to Ronda Hughes.

The female band award was presented to Penny Kurtz, and Todd Kunkel received the male band award.

A new award, the Presidential Academic Fitness Award, was presented to Julie Hall.

Todd Kunkel was named All-Around Student. This award plaque is given annually to a senior who has shown high scholastic ability, citizenship, and participation in many activities.

Dana Brunk was presented the Citizenship Award plaque. This award is given to a senior who has shown active participation in school affairs, spirit of cooperation, and good citizenship.

The Last Day Finally Arrived

At last the day arrived. It was a day for rejoicing and a day for crying. The seniors of 1984 spent their last day taking tests, cleaning out their lockers, and saying their last goodbyes to their friends and teachers. This day was the end of 13 years of school together and now it is time for moving on.

Moments Spent Together

May 13, at 2:00 a.m. seniors and sponsors, Mr. and Mrs. Mark Mitchell and Mr. and Mrs. Jay Buckles were found boarding a school bus bound for Colorado. They were going to a Dude Ranch named "Tumbling River." The trip out seemed very long; we had so many rest area stops.

These several days were enjoyed by horseback riding, sight seeing, touring Georgetown, Colorado, snow tubing down Geneva Basin, mountain climbing, and being entertained by a square dance. Our meals were home cooked and served family style.

May 16 at 9:00 a.m. we started home. In route home

we stopped at Casa Bonitas, where we ate a delicious meal of mexican food and watched a cliff diver perform. We arrived home at approximately 1:00 a.m. May 17.

This trip was made possible by our parents and through the communities' generosity and participation. We had many money making projects and if it had not been for these people we would not have reached our goal.

It was a very special time. There were mixed emotions for some. The largest majority of the class has spent most of these past thirteen years together. Each will go their own separate ways, and possibly not see each other for some time. We wish each other only the best from life, good health and much happiness.

Graduation is a New Beginning

Graduation is the beginning of a new life. All students look toward the future with high hopes of success. It is natural for them to wonder what the future will be. Whatever it is, graduation is the start of a new life for all seniors.

Reverend Joe Munshaw gave the invocation, benediction and baccalaureate. Major General John France, Adjutant General of the state of Colorado, gave the address to 31 graduates, their parents and guests.

The senior choir sang "Walk Tall," and "Keep On

Believin'." Penny Kurtz played a piccolo solo, and Tracey Scroggins sang "It's Time for Movin' On." Anna Book gave the graduate address, and Mr. Mitchell presented the scholarships and awards to the seniors.

Finally, with their heads held high, the seniors marched on stage to receive their diplomas. With mixed emotions, 31 seniors know that graduation is here and from now on they will be going their separate ways. Good luck and best wishes to the seniors of '84."

The CAVALIER staff hopes to have captured and put onto pages those memories we have shared together.

To you students who will remain at South Holt: Continue the traditions, and be creative and original when making new ones. Keep an enthusiasm for South Holt, not only in extra-curricular activities, but in academics as well. Do and be the best you can.

To the seniors of 1984: Your lives change and you continue to grow. You must come to realize that you are leaving behind a way of life you have known for many years, that you must set new goals and strive to achieve them.
